A modern living room interior. On the left, a blue sofa with two matching cushions is partially visible. In the center, a large, glossy white teardrop-shaped ceramic vase with a circular cutout at the base sits on a white surface. To its right is a smaller, textured, black and white teardrop-shaped vase. Behind the vases, a framed poster with a black border contains the text "DO WHAT YOU LOVE" in large, bold, black capital letters. The background wall is covered in light-colored tiles with a repeating geometric pattern. The floor is made of light-colored wood. In the bottom left corner, there are some pink flowers.

CONSTRUCTION GUIDE

Schematic diagram of paving construction steps:

1. stirring: calculate the area, the proportion of fine powder mix evenly to no knot group paste.
2. fan ash: paving surface cleaning up neat and clean, with tooth scraper will binder evenly coated on the working surface.
3. installation: Shop posted mosaic, pay attention to the gap between the joint and the product itself to keep the width of the gap.
4. by the first installation: If mounting surface for walls, from the bottom to the covered and can not be a one-time paving is too high, to prevent weight caused by large collapse.
5. fixed: shop and please use the gray board light pressure mosaic surface to firm. The binder is completely dry (about 20 hours) before the next road filling process.
6. note: the inside of the seam filing debris to clean up again the overall pattern have posted good alignment.
7. by filling compaction knife along the diagonal into the cracks in the mortar joint, fill the gap to the full, not empty.
8. clean: about half an hour, to be filler semi dry state, with a wet towel to clean the surface excess sealant to clean so far.
